A real Viking

A real Viking

I'm a disappointment to my village,

kept inside when the dragons pillage

our homes, because I make a mess,

and though I fail, I confess

That to be a real viking would be a dream,

or to kill a dragon, but it would seem

that that won't happen to me,

a real viking is all I want to be.

I know I give my father grief,

and when I stay away, it's a relief

for everyone to not pretend

that they are not my friend.

Maybe some one'll see my inventions

and realize that I have good intentions.

Maybe I'll do something great,

and no one will ever hate

Me again.

But that would never happen,

I'll always be Hiccup the Useless,

But I wish I couldbe a real viking, I confess.
